B If the guarantor is abroad (if the remittance will be done from abroad)

- ① Oath (specified paper • original seal)
- ② Application to the Minister of Justice (specified paper • original seal)
- ③ Guarantor's deposit balance certificate (in J. Yen or USD)

C If the applicant and the guarantor are the same person

- ① Applicant's parents make the oath (specified paper • original seal)
- ② Deposit balance certificate of the applicant

[Note]

- Please attach the translation into Japanese to all documents.
- Documents issued by schools or any public authorities are valid within 3 months after their issue.

Selection methods

We will judge according to submitted documents, interview and tests.

Pass notification

If you pass the examination in our school we submit all documents to the Immigration Office to start the procedure in order to apply for "certificate of eligibility". The procedure will be made at guarantor's expense. It will take about 2-3 months to get the result from the Immigration Office.

About entrance to the school and visa

- ① After the notification of the Certificate of eligibility is issued, we receive remittance from the applicant. Then, we pass the admission of school entry and the Certificate of eligibility to the applicant.
- ② The applicant should prepare the below mentioned documents, visit the nearest Japanese authority and apply for visa with purpose of study.
 - Certificate of eligibility
 - Passport
 - 2 pictures
- ③ Guarantor shall notify the school of the applicant's entry date to Japan.
 - ※ After application for certificate of eligibility it will take 2-3 months to get it, so after application at our school it will take 4-5- months to come to Japan.

Fee

- ① Application fee

J. Yen 21,000

Please pay the application fee when you submit the application documents. This fee will be not returned regardless of pass or fail.
